
Abhilterates - Products & Pricing

Placement prep resources you can use independently or together

Product Portfolio Overview

Abhilterates offers a practical placement-preparation ecosystem designed to help students revise core topics, practice under exam conditions, and prepare for technical interviews. Each resource can be used independently or as part of a structured preparation journey.

Abhilterates Study Guides & Workbooks

Structured, syllabus-scoped PDFs covering core placement topics from fundamentals to interview level.

- DSA MCQ workbooks (questions, answer key, explanations, last-minute revision)
- Java coding aptitude and code-based question sets
- SQL/DBMS and SDE Intern interview preparation guides
- Spring and Spring Boot interview master guide
- Machine Learning and Deep Learning placement series

Abhilterates Mock Tests

Timed, company-style papers that simulate real campus assessments.

- Full campus placement mock papers with sectioned marking
- Pen-and-paper Java coding mock tests
- Lecture-scoped quizzes with answers and explanations at the end
- Answer keys with reasoning, not just final options

Abhilterates Revision Sheets

Compact, high-density sheets for the final days before an assessment or interview.

- Backend topics: configuration, logging and observability, security, scaling
- Web Development fundamentals OA revision sheet
- Comparison tables, rapid-revision boxes, and top-N interview Q&A;
- Common traps and misconceptions flagged

Abhilterates Video Content

Short-form Hindi videos that explain why technologies exist, built around the series "Full Stack from First Principles".

- 40-60 second reels with hook, analogy, problem, and invention flow
- Real company examples to anchor each concept
- Topics such as authentication, HTTP, REST, DNS, HTTPS, CORS, and load balancers

Abhilterates Community

A focused space for learners to share doubts, resources, and progress.

-
- Preparation discussions and doubt solving
 - New resource announcements and updates
 - Roadmap guidance for placements and SDE intern roles
 - Community knowledge sharing

Pricing & Plans

Abhilterates provides a mix of free learning content and premium structured resources. Pricing may vary by resource, bundle, or platform.

Free Learning
